

Strong annual result 2024

Kaiser Partner Privatbank looks back on a very successful financial year.

As a Private Trust Bank, we support entrepreneurial families and high-net-worth individuals with values-based advice, international connectivity, and innovative solutions – going beyond traditional private banking.

Even in a challenging market environment, we remain committed to our long-term path – with clarity, stability, and foresight.

With a dedicated team of 150 employees, we invest strategically in digital infrastructure, forward-looking strategies, and excellent client service – for a responsible wealth future.
